**O R D E R:**

The Government of Telangana with an objective to promote, aid and facilitate the holistic development, welfare, rehabilitation, of the Powerloom Sector, both in organized and unorganized, along with the weavers and the ancillary and indirect industries associated with the Powerloom Industry directly or indirectly, decided to float an exclusive Powerloom Development Corporation, with an aim to create necessary infrastructure which includes establishment of pre and post loom facilities for the Powerloom Industry, which enables the forward and backward linkage in the Textile value chain. The said corporation also serves the purpose of implementing different Central and State Sectoral Developmental and Welfare Schemes through the District/Regional Offices. The Government of Telangana has given instructions to procure all Government requirements of cloth from the Telangana State through corporation.
